CHANGE OF THE MEMBER OF RECORD

The Member of Record is the individual who has the rights to the pool membership. The Member of Record was selected on the original application form, unless you have subsequently changed it. If you do not know who the current Member of Record is for your share, please contact admin@littlefallsswimmingclub.com.

If you are the Member of Record and you have a spouse or partner resident at your same address, then you may elect to change the Member of Record to your spouse or partner. Such a change remains permanent, unless the new Member of Record makes a subsequent change.

To change the Member of Record, please fill out this form and mail it to the above address. You will receive e-mail confirmation that the change has been made. If you do not receive confirmation, please check that we have received your request.
